

5 TOP TOOLS

for grooming your pets @ home

1

CONDITIONING PET SHAMPOO

Pet skin has a different pH to ours, so get them their own. Don't be tempted to use human shampoo, even children's.

2

UNDERCOAT RAKE GROOMING BRUSH

for double-coated dogs. Removes thick clumps of dead hair trapped in the coat.

3

RUBBER BRUSH

for short-haired pets. Gives a great massage while grasping loose hair

4

GREAT TEMPERATURE & FLUFFY TOWELS

Make sure the water is an ideal temperature, you have a towel handy to dry off and remember to rinse, rinse, rinse to ensure no shampoo stays behind.

5

TREAT YOUR DOG TO SOME TREATS

Always reward your pet's co-operation in his beautification process
